A TREE FOR CHRISTMAS

By Bishop's Patio Gardens

'T was just before Christmas And all of us knew Our chances for the right tree Surely were few.

Now the money we had To put on the line, But the problem was To find one in time.

When quick as a flash There came to our mind The name of the firm Where trees we could find.

Bishop's Patio Gardens Is the company name Their Christmas Trees Have gained lots of fame.

Our story we told them In every detail, Knowing they'd help us And soon without fail!

They heard our dilemma, And when we had told all Said "Hold on for a moment, Our salesman we'll call.

And soon we were seeing A group of their trees White, pink or blue, Or green if you please.

When several minutes later These trees we had scanned We purchased our choice With a nice little stand.

If you know this company It's not hard to believe In our home it was settled And by Christmas Eve.
